

READING ROOTS

BEGINNING READERS (PreK to Grade 1)

Reading Roots is a comprehensive reading program for beginning readers from PreK to grade 1. It provides a strong base for literacy and fosters a love for reading and writing through systematic phonics instruction, rich literacy experiences, oral language and picture vocabulary development, guided writing, and opportunities to read grade level, decodable stories.

PROGRAM ELEMENTS:

- Instructions and practice in phonemic awareness and phonics
- Story reading, story telling and retelling
- Adventures in writing (word, sentence, paragraph level)
- Children's literature for receptive and expressive vocabulary skills development
- Goal-focused achievement planning to ensure every student is successful

READING WINGS

ELEMENTARY READING (Grades 2 - 6)

Reading Wings is a rigorous program that targets the needs of students reading on a second through sixth grade level. To help students become proficient readers, the program targets oral language development and fluency, vocabulary and word recognition strategies, comprehension, and written expression using narrative and expository texts or basal readers.

PROGRAM ELEMENTS:

- Lessons designed to foster creative thinking and problem solving
- Scaffolded instruction to build core reading skills and strategies
- Alignment with 21st century standards, Common Core and BC curriculum
- Goal-focused achievement planning to ensure every student is successful

READING EDGE

MIDDLE SCHOOL READING (Grades 7 & up)

Reading Edge is a reading program that targets the needs of adolescent learners through systematic reading instruction and writing processes. Students develop the competencies and strategies they need to prepare for higher level literacy work in high school.

PROGRAM ELEMENTS:

- Step by step modeling for integrated reading and writing processes
- Lessons that foster reflection, metacognition, and critical thinking
- A compelling set of thematic, leveled readings with instruction to expand writing skills
- Alignment with 21st century standards, Common Core and BC curriculum
- Goal-focused achievement planning to ensure every student is successful
